I am the owner of the above grave lot and I am requesting to resell this Grave lot back to Mifflin Township. I understand that I can only receive, what was paid at the time of the purchase and not what the current grave lot price is. You **must** have a form for each grave lot you want to sell back.

If you inherited this grave lot from the original owner you must provide the death certificate of the original owner. Ownership follows the bloodline of the original owner, so if you have brothers or sisters, they all must fill out a separate form for each grave lot to be sold back.
