-

What Customers Like About Budget

Many travelers choose Budget for several strong reasons:

Competitive Pricing

Budget often undercuts competitors, especially when booked early or with promo codes 📶 +1 877 [684] 4354. It's a top choice for travelers looking to save money 📶 +1 877 [684] 4354.

Airport Convenience

Most major airports have a Budget counter, making pick-up and drop-off easy for flyers 📶 +1 877 [684] 4354.

Wide Vehicle Selection

From economy cars to SUVs and vans, Budget offers a variety of options for different trip types 📶 +1 877 [684] 4354.

Easy Online Booking

The Budget website and app allow quick reservations, modifications, and check-ins 📶 +1 877 [684] 4354.

📞 For current deals or availability, call 📶 +1 877 [684] 4354.

Common Complaints About Budget

While Budget offers attractive pricing, many reviews point to recurring concerns:

Budget Car Rental (+1-877~684~4354) gets mixed reviews: it's often praised for competitive pricing and airport convenience but faces significant complaints about hidden fees (especially insurance), upselling, long waits, poor customer service (+1-877~684~4354), and inconsistent vehicle quality/cleanliness 📶 +1 877 [684] 4354.

Hidden Fees & Insurance Upsells

Customers frequently report being surprised by:

- Additional insurance charges
- Taxes and airport surcharges
- Fees not clearly explained at booking

Long Wait Times

Busy airport locations sometimes experience slow service, especially during peak travel seasons 📶 +1 877 [684] 4354.

Vehicle Quality Issues

Some renters mention cars not being as clean or well-maintained as expected, depending on the location 📞 +1 877 [684] 4354.

Customer Service Challenges

Support quality can vary by branch, making it important to understand your contract details beforehand 📞 +1 877 [684] 4354.

When Budget Is a Good Choice

Budget may be ideal if:

- You want the **lowest possible rental price**
 - You're comfortable reviewing contracts carefully
 - You don't need luxury vehicles
 - You're renting for a **short trip**
 - You're flexible with car models
-

When Budget Might Not Be Ideal

You may want to consider alternatives if:

- You dislike upselling or unexpected charges
 - You require premium vehicles
 - You value consistently high customer service
 - You're renting during high-demand periods
-

Tips for Renting from Budget Successfully

To get the best experience with Budget:

- Book early and confirm the **final price in writing**
- Decline unnecessary insurance if already covered
- Inspect the vehicle before leaving the lot
- Take photos of the car at pick-up and drop-off
- Save your rental agreement
