Mifflin Township Service Department

NOTICE OF CONSTRUCTION

STORMWATER IMPROVEMENT PROJECT

ALLWINE ROAD

From 4/26/2023 to 5/26/2023

The Mifflin Township Service Department, in cooperation with the Franklin County Engineer's Office, will begin a Stormwater Improvement Project on your street starting on **4/26/2023** to **5/26/2023** (weather depending).

The contractor for this project is Pro-Hoe Enterprises LLC.

The Township will take all reasonable measures to ensure a non-intrusive construction process.

During the stormwater improvement project, we will make a concerted effort to maintain access on Allwine Road, but access may be interrupted for minimal periods of time.

To ensure a safe project, residents are asked to approach slowly and use caution when driving around the construction workers and equipment that may be present on Allwine Road.

We look forward to working with you to have our contractor complete this project in a professional and timely manner. Should you require further information regarding this project, please contact the Mifflin Township Service Department at 614-471-4494 or email service@mifflin-oh.gov.

Thank you in advance for your cooperation and patience.
