

Free Hands-On AED Training

AED stands for “Automated External Defibrillator”

AED's deliver a life-saving shock to someone experiencing cardiac arrest. Using an AED, in combination with CPR, could increase the chance of surviving a cardiac arrest by as much as 75%.

You are invited to join Mifflin Township Fire Department for a short AED Awareness presentation at the Gahanna Branch of the Columbus Metropolitan Library.

Sessions are approximately one hour long

- **Wednesday, May 3rd at 7pm**
- **Wednesday, August 2nd at 7pm**
- **Tuesday, November 7th at 7pm**

You'll learn all about AED's, how safe they are to use, and have an opportunity for hands-on practice with an AED training model.

Reservations are preferred and can be made by scanning the QR Code below
