I am the owner of the above grave lot, and I am requesting to resell this grave lot back to Mifflin Township. I understand that I can only receive what was paid at the time of the original purchase and not what the current grave lot price is. I also understand that I must have a form for each grave lot I wish to sell back.

If I inherited this grave lot from the original owner, I must provide a death certificate of the original owner. (Ownership follows the bloodline of the original owner, and if there are siblings, all siblings must fill out a separate Grave Sell Back Request form for each grave lot to be sold back).
