

# 1-866-829-1086 Southwest Airlines Aguadilla Office

Southwest Airlines doesn't have a dedicated standalone office in Aguadilla (Rafael Hernández International Airport, BQN) listed online. Instead:

- 📍 Southwest Airlines service in Puerto Rico (general and airport counter support) is provided via the airline's Puerto Rico airport presence, most commonly at Luis Muñoz Marín International Airport (SJU) in San Juan, PR. ([Airlines-Office](#))

Puerto Rico Southwest Airlines contact (general):

- Phone: 1-800-435-9792 (main Southwest customer service) ([Airlines-Office](#))
- Email: [southwestmediasales@wnco.com](mailto:southwestmediasales@wnco.com) ([Airlines-Office](#))
- Official website: <https://www.southwest.com/> ([Airlines-Office](#))

Puerto Rico office location:

- Southwest serves at Luis Muñoz Marín International Airport in Carolina / San Juan, PR — not directly at Aguadilla. ([Airlines-Office](#))

## 📍 Aguadilla (BQN) Airport Notes

- Rafael Hernández International Airport in Aguadilla does host some airline counters and services, but Southwest does not list an official office or ticket counter there in public airline office directories. ([aguadilla.airport-authority.com](http://aguadilla.airport-authority.com))
- If Southwest offers flights from Aguadilla (seasonal or specific routes), customer service and ticketing support will be handled through airport staff or Southwest's general customer service line rather than a dedicated Aguadilla office.

## 📍 Nearby Airline Offices at Aguadilla Airport

While Southwest doesn't show a dedicated counter at BQN, other carriers do have offices or counters there if you need in-airport help (this can sometimes assist with flight information or connections):

- JetBlue – Airline operating at Aguadilla's Rafael Hernández International Airport.
- Other airline counters: United, Spirit, etc., operated directly at the airport (contact via the airport for details). ([aguadilla.airport-authority.com](http://aguadilla.airport-authority.com))

 Summary

✓ Southwest Airlines service for Puerto Rico is available through a regional office at San Juan (SJU) rather than a dedicated Aguadilla office. ([Airlines-Office](#))
