## Travel Tips for Flying Southwest from Asheville

### Arrive Early:

Ticket counters typically open about **90 minutes to 2 hours before your flight** — plan to arrive early for check-in and security screening. ([Asheville Regional Airport](#))

### Online Check-In:

For the smoothest experience, check in online via the Southwest app or website up to **24 hours before departure**. This speeds things up when you get to the airport. ([Southwest Airlines](#))

### Baggage and Flight Info:

Most flight and baggage queries can also be handled in advance through Southwest's online support or customer service phone line. ([Southwest Airlines](#))
