---

## Southwest Airlines — Edinburgh, Scotland

### No Physical Southwest Office in Edinburgh

Southwest Airlines **does not maintain an official walk-in office or customer service office in Edinburgh, Scotland** (either downtown or at Edinburgh Airport). There is no publicly listed address or physical Southwest ticketing office in the city. ## Edinburgh Airport (EDI) — Where Airline Services Operate

While **Southwest doesn't have its own office here**, if you have a Southwest-related flight (for example as part of a codeshare or connecting itinerary booked with a U.S. carrier partner), the airport airline desks and counters at:

**Edinburgh Airport**

United Kingdom

are where airline staff from *operating carriers* can assist you — but **Southwest itself does not have an official counter or office here**. ([edinburghairport.com](#))
