

1-866-829-1086 Southwest Airlines Jeddah Office

Here's the situation regarding a **Southwest Airlines office in Jeddah, Saudi Arabia**:

Southwest Airlines Jeddah Office

 *There is no official Southwest Airlines corporate, sales, or local ticketing office in Jeddah, Saudi Arabia.

Southwest does not publish any Jeddah address, phone number, or local office on its official website or global contact directories — and it does **not operate scheduled flights to/from Jeddah (JED)** as part of its route network. ([Southwest Airlines](#))

Airport Contact Listings

Some third-party aviation directories list *Southwest Airlines* at* **King Abdulaziz International Airport (JED)** with generic airport information:

- They show **Jeddah Airport Terminal 1** as an associated location and an **airport phone number** (+966 920011233) — but that refers to the *airport* contact, **not an official Southwest office** staffed by Southwest personnel. ([Airports Terminal Hub](#))

How to Contact Southwest from Jeddah

Since there's no local office, use Southwest's **official global customer service channels** instead:

International Customer Service:

- U.S./Global Support: **+1-800-435-9792** — Southwest's main customer service phone number (can be dialed internationally; charges may apply). ([Customer Service XYZ](#))

Online Support:

- Visit **Southwest's Contact Us page** for live chat, email help forms, and support options: https://www.southwest.com/contact_us/ ([Southwest Airlines](#))

App & Social:

- Southwest's app and social media channels (Twitter/X & Facebook) also offer customer support pathways. ([Hamilton Wenham Veterinary Hospital](#))

Corporate Headquarters (For Reference)

If you need corporate-level contact (not local service in Saudi Arabia), Southwest's main headquarters is in the United States:

Southwest Airlines — 2702 Love Field Dr., Dallas, TX 75235, USA. ([Southwest Airlines](#))

Summary

-  **No official Southwest Airlines office or ticketing branch in Jeddah.**
-  Jeddah's airport may list terminal contact info, but that is **not a Southwest office.** ([Airports Terminal Hub](#))
-  For reservations or customer support from Jeddah, use **Southwest's international contact number (+1-800-435-9792)** or the airline's **official support options online.** ([Customer Service XYZ](#))

If you'd like, I can help you find the **best way to dial Southwest from Saudi Arabia** (including country/exit codes)!
