

1-866-829-1086 Southwest Airlines Kiev Office

Here's the **accurate** situation regarding a Southwest Airlines office in Kyiv (formerly "Kiev"), Ukraine:

No Southwest Airlines Office in Kyiv / Ukraine

- Southwest Airlines does *not* have a corporate office, sales office, or local ticketing office in Kyiv or anywhere in Ukraine.
- Southwest does *not currently operate flights to Ukraine* according to its official route information — its services are primarily within the U.S. and to select destinations in Mexico, Central America, and the Caribbean. ([Southwest Airlines](#))

Because Southwest doesn't serve Ukraine, there's **no local office or representative** stationed in Kyiv or at Boryspil International Airport (KBP) with an official Ukraine-registered address or phone contact.

Airport and Airline Operations in Kyiv

 *This is not a Southwest-run local office*, but rather a third-party aviation directory entry with generic guidance.
