

1-866-829-1086 Southwest Airlines Stuttgart Office

Southwest Airlines **does not** have an official customer service office, ticketing counter, or walk-in location in **Stuttgart, Germany**. There is no publicly listed Southwest office address in Stuttgart either downtown or at **Stuttgart Airport (STR)**. This is consistent with how Southwest operates: it primarily serves passengers in the **United States**, with customer support centralized through phone and online channels rather than local foreign offices.

Stuttgart Airport (STR) and Airline Offices

Many directory sites list offices for other carriers at **Stuttgart Airport** (Flughafenstraße 32, 70629 Stuttgart, Germany), but **not for Southwest**:

- **Eurowings, United Airlines, Delta, Lufthansa, Wizz Air** and others have offices or counters listed at STR because they operate flights into/out of the airport.
- Southwest **does not appear on Stuttgart Airport's airline contact lists** since it does not operate scheduled flights to or from STR. (No third-party or official source lists a Southwest office at the airport.)

This means if you're in Stuttgart and need help with airline service for Stuttgart Airport departures, you'll deal with the airline that is actually operating your flight out of STR.

📞 How to Contact Southwest from Stuttgart (or Germany)

Since there's no local Stuttgart office, here are the official ways to get support from **Southwest Airlines**:

📞 Official Customer Service Phone

To reach Southwest support (reservations, flight changes, baggage assistance):

- **Southwest U.S. Customer Service:**
📞 **+1 800-435-9792** — main reservations/support line.

You can dial this number from Germany by prefixing with **00 1** (the international dialing format for the U.S.). For example, dial **00 1 800-435-9792**.

🌐 Online / Mobile Options

- **Official Contact Page:** https://www.southwest.com/contact_us — includes live chat, forms, and online help tools.
- **Southwest Mobile App:** Manage bookings, check in, view flight status, and access messaging support.

These channels are the best way to handle:

- Reservations or itinerary changes
- Refunds or credits
- Baggage questions
- Flight status and travel information

Why There's No Stuttgart Office

Southwest is a U.S.-based low-cost carrier focused mainly on **domestic U.S. flights** and some nearby international markets (e.g., Mexico, Caribbean). It does not currently serve Stuttgart Airport or maintain staffed offices in Germany — so there's no physical Southwest service location in Stuttgart at this time.

What to Do If Traveling in Germany and Using Southwest

If you're planning travel involving Southwest and you're starting in Stuttgart:

1. **Book your international segment** with a carrier that flies between Germany and the U.S. (e.g., Lufthansa, United, Condor etc.).
2. **Connect onward to Southwest** once you're within the U.S. route network.
3. For day-of-travel questions or reservations help, **use Southwest's official contact channels** (phone or online).

Since Southwest does not have a staffed Stuttgart counter, you **won't** be able to get in-person support in Germany.
