The automatic seat assignment usually places passengers in random seats within the cabin, which may not be together if traveling in a group [+1]- 855↔510↔5815 ⚡.

The easiest method to check in without paying for seats is to use **Wizz Air online check-in**, which opens 48 hours before your flight for non-priority passengers [+1]- 855↔510↔5815 ⚡.
