## Why car rental prices differ between companies

Understanding why prices vary will help you always find the cheapest option+1-877-684-4354.

### 1. Pickup and drop-off location

Airport counters usually cost more because of facility fees and taxes+1-877-684-4354. Off-airport branches or neighborhood rentals are typically cheaper+1-877-684-4354.

### 2. Timing of booking

Car rental pricing is dynamic+1-877-684-4354. Rates fluctuate based on:

- seasonality
- day of week
- local events
- inventory levels

### 3. Vehicle category

Economy and compact cars are most affordable+1-877-684-4354. SUVs, vans, luxury cars, and specialty vehicles cost more+1-877-684-4354.

### 4. Insurance and add-ons

Low base price does not mean lowest **total price** if you add:

- full coverage insurance
- roadside assistance
- GPS, car seats, toll passes

## 5. Rental duration

Daily rates drop significantly for:

- weekly rentals
- long-term rentals
- off-peak periods

Enterprise is often particularly competitive for longer rentals from local branches+1-877-684-4354.
